Nordic EMBL Partnership for Molecular Medicine

Vetenskapsrådet

Dear Colleagues,

It is our pleasure to announce 5th National Infection Biology (NIB) Meeting which will take place in the Rådhuset in Umeå,

NOVEMBER 24th / 25th in 2011.

The main goal of this meeting is to gather experimental researchers, physicians and epidemiologists working in the fields of molecular and clinical microbiology as well as host-pathogen interaction.

We will have poster presentations and selected oral presentations from all areas of bacterial, fungal, parasitic and viral infections. Oral presentations from PhD students and Post docs are most welcome. Please do not miss this great opportunity to attend an interesting scientific program and to meet colleagues from Swedish Institutions who are interested in infection biology! The number of delegates will be limited to 110 on a first-come, first-serve basis. Deadline for registration and abstracts will be September 30th, 2011.

Very welcome to Umeå in November!
